

## St. Augustine's in-the-Woods

*Faith, Vision, Legacy –  
It's About Time*

April 15, 2009

Dear fellow members of St. Augustine's,

Thank you for your faithfulness in fulfilling your commitment to the *Faith Vision, Legacy -It's About Time* campaign, increasing your giving beyond your commitments, or for making new commitments. It takes many generous gifts by God's faithful people to accomplish His work. Gifts to the Lord of time, talent, and treasure are miraculous. Under His blessings, these gifts can extend His kingdom, bring hope to the world, and bring joy and peace to the giver. This is a triple blessing!

Thus far in our campaign \$309,955 has been given towards the \$1.7 million new parish hall goal. This amount includes \$171,309 received prior to the start of the Capital Campaign."

Envelopes are included in this letter for the next three months. If extra envelopes are needed, they are available in the narthex.

Together, we can bring our dream of increased space for education and fellowship to reality.

If you have questions about the campaign, please ask Campaign Chairs, Judy Yeakel and Bill Carruthers or me.

In faith,

Isabel Neddow, Building Fund
